

Translating the latest research  
into clinical practice

## COMING SOON...

Prof Séverine Vermeire presents

# 1. How to communicate effectively in a time of change

An interview with **Prof David Venter**  
ex-Director-General of Communication/Crisis Manager  
for Nelson Mandela

*What can IBD physicians  
learn from the teachings of  
Nelson Mandela in the face  
of the COVID-19 pandemic?*

*...these teachings from Nelson Mandela  
are more important than ever  
in the era of telemedicine*

IBD Mirror is an innovative educational initiative aimed  
at physicians (and other healthcare professionals)  
working in IBD

IBD Mirror is comprised  
of short, informative videos  
providing...

**A bench to  
bedside approach**

Topics are delivered by IBD specialists and other respected key experts  
from around the world

Globally recognised IBD expert and former ECCO President, Prof Séverine Vermeire (UZ Leuven, Belgium) is the Scientific Director for IBD Mirror

Dr Alissa Walsh  
Consultant Gastroenterologist  
Oxford University Hospitals NHS Trust, Oxford, UK

## UP NEXT – NOT TO BE MISSED...

# 2. Revolutionising clinical practice with remote monitoring

by **Dr Alissa Walsh**, Consultant  
Gastroenterologist (Oxford University  
Hospitals NHS Trust, Oxford, UK)

Further educational videos coming monthly  
throughout 2021.
